business

The secretary's report was read and accepted.
The treasurer's report was read and accepted, balance of \$261.04

Old business: Discussed the meeting held between Chapter Scafton, Ann Tobes, and Brenda Taylor at which time they asked about having a seduction in green fees for the invitational September 11th. Also discussed a shotgun start for the event. He said he would get back to us on green fees and the shotgun start was up to Austin Kelly. He is not in favor.

New business: Dot Smith reported that Miller Restaurant was available for the invitational at a cost of \$2.00 per person.

Discussion was held at great length on the invitational, individual fees. It was decided that a \$6.00 fee would cover the green fees and luncheon. Prize money would have to come from the treasury. Other methods of giving prizes were discussed and it was voted that members would donate gift prizes for some individual awards. Other ways of raising money were discussed and it was motioned and approved that a committee would approach city officials with the request to hold a flea market. This was later rescinded as we agreed we would probably have sufficient funds without it.

The President proposed a meeting with Chapter Scafton and Austin Kelly to clarify matters on invitational. She will make

the arrangements. There being no further business, it was voted to adjourn.
