After "looking & asking" over the desserts the business meeting was called to order.

Names were drawn and everyone was presented with a gift. Ruth De Mott was presented with a surprise birthday cake and the group chimed in on the traditional birthday song.

Many women said that it was the best invitational they had ever attended.

(cont.) One of the things that most impressed the people using carts was the help they received from the boys in loading their golf bags on their carts. They were very appreciative of this unique service, and it certainly helped expedite the process of matching carts and people.

(cont.) Joan Dauphinee reported that we had a total of 37 members for the 1983 season, 36 active members and one honorary member.

It was reported that Ole Gildart is back at E. Me. Med. Center. Laura Danforth was reported to be slightly improved.

Report of Committees: Ruth De Matt, Handicap chairman, announced that the next time she will do handicaps will be on Oct. 15th. The group applauded Ruth for the excellence of her work on handicaps this year. The group also congratulated Charlotte Clement on her expertise in conducting the annual meeting of the ^{W. Maine} State Golf Assoc. meeting at Leeds on Sept. 27th.

Joan Dauphinee and Charlotte Clement were thanked for all the ~~gt~~ ^{gt} ~~owels~~ ^{owels} that they made for the invitational. They finished !!!

New business: It was announced that proposals have to be made one month before a vote can take place on them. The President asked for a show of hands about including absentee ballots on proposals that come before the group for a vote. The group approved absentee ballots.

A discussion was held about whether just active members would be eligible to vote. There ensued a debate over the definition of an active member. We arrived at a consensus that an active member is any woman who has paid her dues to our association.

A motion was made by Sharon Dauphinee that a reasonable effort be made to notify all paid members by phone or letter of any proposal to be voted on at the next meeting. If they desire to do so, they can vote in absentia. This extra effort

to poll the desires of the group would be made primarily when proposals might change the by-laws.

It was suggested that during the summer a notice be posted on the bulletin board in the locker room, and members would initial it after reading the announcement. The telephone committee then would notify only those who had not signed the notice.

Sharon Dauphinee read five proposals for the groups consideration.

#1 That there will be a 9-hole tournament at 5 P. M. on Thursdays. Members may enter the a. m. or p. m. tournament, or both (Sharon Dauphinee)

#2 That all officers be elected for a two-year term -- retroactive to Sept. 29, 1983. (Sharon D.)

#3 That an agenda be mailed to all members prior to all meetings that would require a vote on any changes in either the by-laws or anything that would effect Ladies' Day play. (Louise Murchison)

#4 That absentee ballots be accepted as valid votes. (Louise Murchison)

#5 That a committee be appointed to update and revise present by-laws -- to be voted on at the first meeting of the 1984 season. (Louise)
Copies of the by-laws were distributed to members who had not seen them, and members were asked to study them in order to be ready to offer suggestions for needed revisions.

Vi Higgins announced that the lobsters were ready and the group hastily recessed for lunch. After the delicious meal, the

The Bangor Womens' Golf Association held it's annual banquet and awards night at Miller's Pub Room. Some of the more enterprising women dressed in costume for the occasion, much to the enjoyment of those more traditionally attired.

A brief business meeting was held prior to ordering the meal. A vote was taken on the eligibility requirement for participation in the Womens' Association's major tournaments. A secret written ballot was conducted, and the group voted to require participation in three (3) regular Ladies' Day Tournaments before eligibility would be established for participation in the special tournaments, such as Club Championship, President's Cup, etc. The vote was as follows: 10 for a 3 day minimum requirement; 5 for 2 days; 4 for no restrictions.

Ruth De Matt suggested that a big thank you be given ~~for~~ to Vi Higgins for the wonderful picnic enjoyed at her camp in September. This was lustily endorsed by all those who had attended.

The secretary's report was read and accepted. In the absence of Pappy Davis the treasurer's report was not given.

A trophy for reducing her handicap the most was won by Tina Colburn (5 pts). Ann Lang received the award for the Club Championship in the A division; Sharon Dauphinee, B division, and Charlotte Clement for C. division.
