The Bangor Womens' Golf Association held it's first meeting and luncheon of 1985 at the home of Pres. Frances Dauphinee. Eighteen members were present. Three new members were welcomed into the club, friends of Sharon Dauphinee. Fran served her delectable seafood chowder and desserts, Thank you, Fran.

A short business meeting was held after the luncheon which was called to order by Pres. Fran Dauphinee.

Poppy Davis, Treasurer, reported a balance of $492.79. Report was read and accepted.

The Secretary's report was read by Sharon Dauphinee. It was approved and accepted.

Our president reminded us of our invitational tournament scheduled for July 11th at Bangor Muni. We were also reminded that each member should donate three wrapped gifts for the tournament door prizes. Fran also showed lovely purse type card holders for the tournament participants.

Ruth Emple volunteered to contribute new pennies - one for each purse. A clever idea and a nice gesture. Schedule of 1985 golf fees and memberships at Bangor Municipal were distributed by our president. It was also decided to hold an auction at our luncheon meeting the last Thursday in April. Members to donate items.

A paper was circulated for play preference designating 9 holes or 18 holes for play on last Thursday of each month preceding luncheon.

Meeting was adjourned.

Members of the Bangor Women's Golf Association met at the home of the President, Dran Dauphinee) for a spaghetti luncheon and Oran's assortment of delicious desserts. There were nineteen members present. This included three new members. Pro Austin Kelley joined us for a short time to discuss a few U. S. G. A. rules and their meanings.

Marge Tkacz suggested to Austin that a circle or mowed area be established to right of green on second hole for the women as an alternative to having the ball come to rest in the rough which surrounds the green. Austin assured us he would check out the suggestion. A brief business meeting was held after the luncheon. Treasurer Poppy Davis reported a balance of $514.34. The secretary's report was omitted. Sharon Dauphinee made the motion and it was seconded that the meeting be adjourned so we could start our planned auction. With Sharon acting as auctioneer we proceed with bidding on items which members had donated. Total money realized from auction will be announced at the May meeting.

Corrections: The mowed area on #3 shall be treated as fairway -- preferred lies

May 30, 1985

Following a poker-hand tournament, 22 members of the Bangor Women's Golf Association met at the Pub Room of Miller's for a luncheon on May 30, 1985. The president, Fran Dauphinee, called the meeting to order. The secretary's reports for February and April were read. A correction was made in the April report in regard to the mowed area across the pond on the second hole. This mowed area is to be treated like fairway with players using preferred lies, if desired.

Peggy Dowe, treasurer, reported that 21 members had paid dues and that $69 had been realized from the auction in April. The new balance in the treasury is $688.34. Vi Higgins moved the report be approved, and Sally Cahill seconded the motion.

Handicap Chairperson, Ruth DeMott, announced that she does the handicaps every two weeks -- the last time Saturday, May 25. She advised all members to post all scores from other courses that include when the game was played on the handicap card.

Tournament Chairperson, Sharon Dauphinee, asked for suggestions or criticisms of tournaments. She said that in case of an open hole ahead of a group, that group should let the next group through to speed up play. Sharon also explained how an Invitational is Conducted. She stated that the fee for our Invitational is $15, which will include golf, fees and lunch. It will be 9 holes and net and will have 3 divisions. She also stated that our June Bunzi tournament

will be starting today, May 30; also it was announced that a person doesn't have to play with another BWGA member in order to play on the Bengies.

President Dauphinee asked the group what they thought of helping the Garden Club with the expense of landscaping the golf courses. Margie Tracy moved that the group donate $50 toward the beautification project and Thorn seconded the motion. The need for a clock for the locker room was discussed and Nettie Shields volunteered to get us one, either free or at a reasonable price.

Our president reminded everyone to bring their three prizes for the Invitational as soon as possible. Sign up sheets were passed out for workers for the tournament and items to be donated. Anyone not playing in the tournament will be needed as hostesses.

Thorn moved the meeting be adjourned. Ruth McNatt seconded the motion.

The B.W.G.A. met at Captain Mike's Restaurant for a luncheon following an E and S tournament June 27. Only 8 players showed the elements and completed 18 holes.

President Hawkins called the meeting to order. The Secretary's report was read and accepted. Charlotte Clement moved the minutes be approved and Ruth DeMott seconded the motion. In Peggy Davis' absence, Sally Cahill read the Treasurer's report. Dues amounting to $55 were received from 11 new members. Expenses for the month were $67.50 which was the Garden Club donation for the beautification of the Course. The balance at the end of June is $676.34. Pat Higgins moved the report be accepted and Muriel Robinson seconded the motion.

Hawkins, reports from Committees, then Dan Hawkins, Tournament Chairperson, announced that she is prepared to conduct an informational workshop for anyone not understanding the various tournaments. She also offered to help individuals with the strategy of tournament play -- especially match play.* She urged the members to participate in the various Competitions, reminding members that because of the different divisions, each has a chance to win. Tournaments will be posted. She also will set up the matches for the President's Cup.

Dan announced that there will be a Ranger each month and also a year end Ranger -- the best score a person has had on each of the season. She will keep a running tally.

It was suggested by some of the

members that a limit be placed on the number of balls put in the water on the second hole. The group agreed that after 3 balls had been put in the water, the player would go to the other side and drop a ball - by the 2 stroke rule - rather than picking up and dropping out of the competition.

It was announced that we will have our regular play on July 4 for those wishing to participate.

It was announced that plans for the Initiations are going smoothly and that 78 registrations have already been received. Our president read the following list of duties and workers for July 4th:

Supervision of Ladies' Lounge - Kay Dorr, Hulda Madsen
Registration -- Shoon Dalyhunde and Jane Alts
Favors -- Kay Dorr
Doughnut stand - Mary Smith, Jan Annis, Jane Alts, Ruth Handy, Gertrude Fox, Muriel Robinson, Connie Radich
Lemonade stand -- Gertrude Fox, Clara Mund, Anne Mullen
Hostesses -- Ruth DeMatt, Marge Tharp and Muriel Robinson

Shoon Dalyhunde announced that Vern Feeney of Grant's Dairy is donating 144 cartons of lemonade to the Initiations.

Austin Kelly has asked the BPW if they would give a donation to help the Women's Golf Qualifying round in the Public Links Tournament to be played in Iowa City as a financial aid. The members voted to donate an unspecified amount which will be dictated by need, the

amount not to exceed $50. No decision as to amount will be made until a winner is announced.

Thorn reminded the group that they had voted to reimburse Joan for the dollars wallets the amount voted upon at a previous meeting was $75 but hasn't been paid yet.

Joan announced that August 1 the Course will be closed to use and suggested that we all make an effort to go to J. W. Parks' Invitational on that date. She reminded everyone that each would have to make their own reservations.

All workers were reminded to be at the Course at 7 o'clock the day of the Invitational.

Eli Wiggins moved the meeting be adjourned and Connie Radick seconded the motion.

* Thorn explained that the Club Championship involves two rounds, and players have to report to the desk that they are playing & round before Greg and on the Course.

Expenses for the tournament totaled $2,697.90 resulting in a net to us of $199.20 for the Invitational. Everyone agreed that it had been a very smooth - running and successful tournament. The balance in our account is now $499.5[illegible] Marge Tkacz moved the report be accepted as read and Ruth DeWitt seconded the motion.

Clara Munck passed around a pen so she could be tried out with a special message which she thought might be used for a prize at our next Invitational meeting.

Peggy Dawes reported that $10 had been paid to Thora Dauphenie toward prizes for the Invitational Bakery Buddies for the Tournament.

President Dauphenie announced that we will not have an August meeting so that those planning to do so may attend the Lakewood Invitational on the last Thursday, August 31.

A record number of lady golfers attended the BWGA Invitational on July 11, 1985. Registrations were received from 176 people and four golfers arrived without preregistering. Despite the large number of participants, play moved smoothly. A delicious luncheon was enjoyed by the guests at the Red Lion following play. Sharon D. circulated sheets containing parodies to familiar tunes which the group enthusiastically sang. She received many requests for copies.

Our next business meeting will be in September at the Virginia Camp. It was decided that we will all have 1½# bakelite instead of ordering different sizes. Sharon reminded the group to start saving stamps for the auction which we will have at the September meeting.

Irma asked for volunteers to work on the Nominating Committee. Quite a few moments of complete silence followed the request. Finally, with some prodding the following Committee was formed: Jade Otis Carroll Goodrich, Jan Annis, and Viola Woodward.

Sharon D. asked if anyone was interested in entering the Antique and Junk Contest each Thursday. It is necessary to enter the sweeps in order to be eligible for the Junk. The Cost is $2 to enter each and a new Contest is run each week. There were not enough interest to run such Competition.

The September luncheon meeting of the BVGA was held at Virginia Higgins' Camp at Swan Lake on the 26th. Coffee and goodies were awaiting the new arrivals. Members took walks or played cards while waiting for all expected members to appear.

The business meeting was called to order by President Dauphinee. Jerks called for the Secretary's report. The July report, read by secretary, Linda Woodbell, was accepted with one change, the size of the lobsters should have read 2 pounds.

President Dauphinee announced that we will play Brooke Tuesday, October 1, pro-vided the weather is favorable. Anyone wishing to check on whether or not we will go may call either Joan D. or V. Higgins. We will tee off at 10 o'clock so one should be there by 9:30.

The treasurer's report was called for, and Cappy Davis reported that the income from 15 entries to the President's Cup and 20 entries for the Club Championship amounted to $35. There was one new membership making the total income $40, leaving a balance of $535.14. Sally moved the report be accepted and Charlotte Clement seconded the motion.

Under Report of Committees, Ruth De Matt advised the 40 handicappers not to record any scores over 110 until next Spring. The larger scores will not affect their handicaps but will create unnecessary work. She reminded the group that they must have 20 current scores recorded

before omitting the higher scores. Hereafter however, all scores should be recorded.

Shoon remarked that many people did not complete their play in the Club Championship tournament. Some turned in only one score and others no score. Some did not announce ahead of time their intention of playing their round, thus forfeiting it. The group discussed the advisability of signing the book at the front desk before going out to play their rounds. It was unanimously agreed that this would be a good procedure.

Morgenthaler made a suggestion that players should keep a separate card for themselves the day they play a round in the Club Championship so that there would be no confusion as to who were actually playing a round of the tournament. This separate card should be attested, dated, and the tournament designated. This was made a motion and Shoon seconded it. Shoon admonished the members to be sure they did not enter any scores the Benzie Hunter they had paid their fee. It was decided that scores made from the beginning of the month could be held until the first Labor Day and recorded after the entrance fee had been paid. Scores held longer than that would not be valid. President Daphne suggested that to take care of this problem, the members could enter all their Benzie scores at one time on June or at least pay ahead of time each month.

The president asked for a report of the

Nominating Committee. Since the Committee had not yet met, it was necessary to prepare a slate of officers for the report.

Mary Keary suggested that we remind people on the Telephone Committee who love to make long-distance calls.

It was announced that anyone planning to join State in 1986 should mail their application and money by April 1, 1986. It was stated that a person wishing to join State is eligible to do so as long as she is a member of an association (Class B to DAC which is a member of State), and she does not have to be a season ticketholder of the Golf Course.

Ruth De Matt made a motion the meeting be adjourned. Rita Stinson seconded the motion.

Everyone enjoyed the delicious luncheon with Lobster Stealing the show.

Following the luncheon, we proceed with our auction with Sharon Cupaly serving as auctioneer. The results of the auction will be disclosed at our banquet meeting.
