Brian Stated that the BWGC would have to make the improvements. Betty Clement suggested that we invite Brians to our Next meeting to express our concerns about improvements etc. Also suggested that members could express concerns about discount rates, improvements etc to the Parks-Rec members at their August 6th meeting. Ie. the GE league gets a break on the New Nine, also PI Fineas womens league.

V New Business:

A. Need to sign up for the President's Cup by July 21.
B. Sign up for Club Championship on any Ladies Day in August.
C. Pine Hill next Thursday.

E. Twilight league. People expressed an interest in doing this for August. Robin Ash's Sarah will coordinate this.
F. Discussed poor showings for tournaments ie how to get more players, ? getting a mailing list of all members of muni. Need volunteers for this

MEETING WITH BRIAN ON AUGUST 3, 2000

Attending: Kathy Anderson, Jan Annis, Robin Ashe, Joyce Coutts, Brenda Crosby, Madeline Dionne, Celeste Nichols, Louise Shindler, Sue Stacey, Donna Townsend, Hilda Wardwell, Deborah Wiley, Anne Winchester

Debra – What about weekend tee times?
Brian – Have talked about it and may have 50/50 – member/street person. However, the member may not get a chance to play on the weekend

Debra – Yardage markers – spray paint them?
Brian – No paint as it kills the grass – they may put something on the sides

Debra – Need more water buckets – or at least one near the women's tees
Brian – they built 5 last winter and will do more. But not one of every other hole. We would like one every three – problems is people with bottles fill up and use a lot so they are always empty.

Debra – ball washers on women's tees
Brian – did not get a chance to address this one

Debra – Ranger on weekends who does more than say "hi"
Brian – did not get a chance to address this one

Debra – Fairways brown
Brian – limited to the pump – a new one coming

Donna – more stakes to help find the ball over #2 – so a person could say it was between the black and ? stakes.
Brian – would consider something

Debra, Jan, etc – mow the grass on both sides of the pond on #2. Maybe people would quit taking so much time looking for their ball. And it would look better
Brian - will consider it, but more people with ball retrievers will be down there getting balls out of the pond.

Donna – have you considered red, white and blue flags on the greens
Brian – yes they have talked about it – not a big expense, but think the person cutting the cups may forget to put the proper flag on.

? Ladies day half cart price?
Brian - it has already been taken care of. If you ride you pay $10

Robin – ladies locker room need remodeling?
Brian – just been painted and had new carpeting – They had a flood – just give him some ideas, as it is not his area to decorate.

Jan- move the lockers and get a comfortable chair at the desk.
Brian – can do

Brian – locker rooms were larger and was wasted space

Louise – could we help with the GBO?
Brian – yes they could use help – spotters, etc

Jan - on #1 trees in way
Brian – will not be removed

? could we have 10 minutes before each ladies day for tips or rules of the game?
Brian – would gladly do this for us. Maybe once a month. Maybe hole by hole of rules if you get into trouble. Just let him know and he'll do it.
