#### **Weekly Tournament Chair:** Marilyn Rice

- Season is winding down with maybe 3 more scheduled weekly events.
- Much discussion around the orange tees, their temporary rating and slope and when Maine Golf will come and do the official rating. Hopefully, it will be this fall.
- Many girls' indexes are going down very quickly due to the orange tees, and there is a sense of concern.
- Many questions around the ability to choose green or orange tees each week. At this point Golf Genius and the mobile scoring only allow one set of tees. Marilyn will be working with Rob on this so that choice will be an option next year.

#### **Chip-Ins:** Carole Cook

- Logo balls were distributed to those gals receiving chip-ins. Great job, girls.
  - Karen Bamford
  - Jean Bridges (2)
  - Jean Young (2)
  - Robin Ashe
  - Jennifer Rasmussen
  - Susan Payne

#### **Added Addition to the Agenda:** Sandy Salsbury

- Sandy wanted to recognize the winners of the Club Championship and President's Cup and presented them with checks for their accomplishments.
- Club Championship Winners:
  - Flight C: Karen Bamford
  - Flight B: Kathy Constantine
  - Flight A: Suzanne Roberts
  - Overall winner: Liz Coffin

- President's Cup Winner:
  - Runner Up: Judy Richard
  - Overall Winner: Donna Jancewicz
- Note: Liz Coffin spoke up to say that all awards given to members cannot be in the form of check. All awards are to be in Pro Shop Credit. All checks were given back, and the winners will be credited with the amount in the Pro Shop.

**Handicap Chair:** Susan Coffin

- Susan reminded everyone that mobile scoring does not show chip-ins and birds. Be sure to do an extra scorecard and leave it with Susan if your group has either of the two and indicate it on the card or leave it in the basket in the bathroom.
- Members are reminded that they need to post all scores.

**Old Business:** Brenda Crosby Memorial Cancer Tournament:

- Members are encouraged to invite guests and make 4 person teams or just sign up individually. The Pro Shop will help with all the pairings. This needs to be done before September 9th.
- Raffle baskets are encouraged and hoping for a good assortment. Bring money to buy tickets for the raffle baskets.
- Lunch will be pulled pork sandwiches and barbequed chicken sandwiches with potato salad, dessert, and beverage for \$18.00 which includes tax and gratuity. Bring exact money, or write a check to Birdies.
- Green fees and cart will be \$40.00.
- Donation of \$20.00 to the Cancer Society is suggested.
- Caring Connections will be onsite. All monies collected will be distributed locally.
- Participants are encouraged to wear colors of cancer that have affected their lives.
- This will be at 9:00 A.M. and a shotgun.
- Registration will be on the deck any time after 8:00 A.M.
- All participants should be ready for pictures and instructions by 8:45 A.M.
- A fun time, and all monies will go to Caring Connections here in Bangor, Maine.

**New Business:** Restaurant Update: Jean Bridges

- Jean Bridges spoke to the membership about the restaurant update. Marilyn Rice and she were designated by the executive committee to meet with Rob to discuss the contract between Birdies and the City of Bangor. Because the contract specified that the restaurant must always be opened to the general public, the deck cannot be reserved. That is a change from Hero's. Also, the deck is now open at 10:00 A.M. So, with these two changes from past happenings, our club has to have an emphasis on being flexible and amiable. Jean spoke to the fact that things are different with Birdies, and that we need to emphasize on progress, going forward, and we want to work with Birdies. They

are here, and we are here. She also stressed that Bob with Birdies wants to help with the Cancer Tournament, and wants to maintain and improve relations with the Bangor Women's Golf Club. There was no discussion after Jean spoke to the membership. We will go into the 2025 season letting Birdies know of our schedule and special events before the season begins.

Respectfully submitted,  
Robin Ashe
